Which the Supreme Court Recently Decided

IN FAVOR OF OKLAHOMA

Against Cattlemen Taxed In Kay County.

OF SEVEN POINTS RAISED

Six Settled in Favor of the People. With the "Tax Raise" Question Not Passed Upon.

Guthrie, O. T., March &-(Special.)-The the following language: question of the validity of the tax raise | the present case. by the territorial board of equalization. which the supreme court did not pass

On the third Monday of February, 1834. the supreme court of Oklahoma by an order entered on the court journals, attached to Kay county, for judicial purposes, all the Kaw, or Kansas, Indian reservation and all of the Osage Indian reservation north of the township line dividing townships IS and IS north. All of the reservations so attached to Kay county for judicial purposes are without the boundaries of Kay county as established by the governor and are not within the boundaries of any organized county of this terri-

By an act of the territorial legislature approved March 5, 1836, section 11 of articie 2, chapter 70, of the Oktanoma statutes was amended to read as follows:

That when any cattle are kept or grazed, or any other personal property is situated in any unorganized county, district or reservation of this territory, such property shall be subject to taxation in the organized county to which said county, district or reservation is attached for judicial purposes," and authorized the

board of county commissioners of the or ganized county or counties to which such norganized county, district or reservation is attached to appoint a special assessor each year, whose duty it shall be to assess such property, and conferred upon such special assessor all the powers ty to deal with this q and required him to perform all the du-fit, upon a re-hearing." ties of a township assessor. The assesso so provided for was to begin and perform duties between the first day of April and the 5th day of May of each year, and to complete his duties and return his tax lists on or before June L and the prop erty therein authorized to be assessed

should be valued as of May 1, each year, In pursuance of the provisions of this act the county commissioners of Kay county appointed a special commissioner for the past 1856, who assessed the prop ervations attached to Kay county at \$760,465, which sum was carried into the upon the various agreesments of the variraised the aggregate valuation of the property returned for taxation upon the made an aggregate valuation of \$1,005,634 the cattlemen obtained infunctions re-

At the hearing the district court held future state, that all of the levies made for territorial purposes and the county levy for court expenses were valid and as to those levies the injunction was dissolved, and as to all other county levies the injunction were made perpetual. From that part perpetuating the injunction as to all of the county levies except that for court expenses, the defendants appealed and filed their cross-petitions in error, and the case was taken to the supreme court of the territory. In that court the judg-Three of the four judges who sat in the case agreed in holding that the taxes funds were valid: two were of the opinmauthorized; one was of the opinion that all the taxes were validly levied, and the fourth judge dissented in total From that judgment of the supreme court of

In the brief presented by the attorneys

and the several statutes of the United States the legislature has no jurisdiction enact laws-especially tax laws-and put them in force in these Indian reser-

Second-Because said Indian reservations under the statutes of the United is binding upon the territory. States are authorized to be leased by the Osage and Kaw tribes of Indians for

Third-The said act of the legislature is unconstitutional and wold in that it confers upon the supreme court of the territory the right to fix taxing districts, qualifies him from further acting as which is a legislative function

Pourth-Because the act of the legislature of the territory under which these taxes are sought to be levied is void for the reason that it attempts to tax propfor the benefit of the counties to which they are attached for judicial purposes, the owners and holders of the proptrey on these Indian reservations having no Indian reservations not being within the consolidation of the wire nail interests. | their death has been communicated to the | wheat and flour.

geographical boundaries either of said ounties taxing of said preporty is taking the property of persons holding prop-

erty on said Indian reservations for the benefit of the residents of said countles and is taking private property for private Fifth-The said act of the legislature is void in that it conflicts with the provisions of the organic act providing that the legislature of the territory "shall not pass any law impairing the right to private property, nor shall any unequal dis-criminations be made in taxing different

the same kind of property and violates In Lieu of Recent Excitement the rules of uniformity in taxation. Sixth-That the said act of the legislature is void in that it is local and special legislation and in violation of the provisone of section I of the act of congress of

kinds of property, but all property sub-

fect to taxation shall be taxed in pro-

portion to its value," and the said act is
